3pm to 4pm

Addlestone Library, Room
227

Dr. Eban Goodstein is an economist, author and environmental educator known for his work in the clean energy movement. Currently Director of the Bard Center for Environmental Policy, he holds a bachelor's degree in geology from Williams College and a Ph.D. in economics from the University of Michigan. In recent years, he has coordinated climate education events at over 2500 colleges, universities, high schools and other institutions across the country. Goodstein is the author of a college textbook, *Economics and the Environment*, now in its sixth edition, and he directs two national educational initiatives on global warming: C2C and The National Climate Seminar.

Articles by Goodstein have appeared in *The Journal of Environmental Economics and Management*, *Land Economics*, *Ecological Economics*, and *Environmental Management*. His research has been featured in *The New York Times*, *Scientific American*, *Time*, *Chemical and Engineering News*, *The Economist*, *USA Today*, and *The Chronicle of Higher Education*. He serves on the editorial board of *Sustainability: The Journal of Record*, and *Environment, Workplace and Employment*, and is on the Steering Committee of Economics for Equity & the Environment. He is also a member of the Board of Directors of the Follett Corporation, and is on the advisory committee for Chevrolet's Clean Energy Initiative.
